WESTERN WASHINGTON UNIVERSITY
ITEM SUBMITTED TO THE BOARD OF TRUSTEES

TO: Members of the Board of Trustees
FROM: President Sabah Randhawa on behalf of Richard Van Den Hul, Vice President, Business and Financial Affairs
DATE: April 5, 2019
SUBJECT: Approval for Revision of Section 2.19, WWU Retirement Plan
PURPOSE: Action Item

Purpose of Submittal:
Currently, the WWU Retirement Plan is inconsistent with the Washington State Health Care Authority (HCA) program. The HCA allows employees to retire under a higher education retirement plan and be eligible for retiree medical insurance as long as they are at least age 55 with 10 years of state service. Western’s current University Retirement Plan requires employees to attain age 62, thus conflicting with the HCA.

The Human Resources Department and the University Retirement Plan Advisory Committee recommend revision of the definition of retirement age, as defined in Section 2.19 of the Western Washington University Retirement Plan. Because the HCA rules are already in effect, the Human Resources Department and Retirement Advisory Committee recommend that this change be effective upon Board approval.

The proposed change will also provide for WWU’s Retirement Plan to be consistent with the plans of other four year state public higher education institutions.

Supporting Information:
Section 2.19 of the University Retirement Plan currently states:

2.19. Retirement Age: normal retirement age means the last day of the calendar month in which age 65 is attained; early retirement age means the last day of the calendar month in which age 62 is attained.

Proposed revisions:

2.19. Retirement Age: normal retirement age means the last day of the calendar month in which age 65 is attained; early retirement age means the last day of the calendar month in which either (a) age 62 is attained or (b) age 55 is attained with ten or more years of service completed without a Break in Service.

Proposed Motion:
MOVED that the Board of Trustees of Western Washington University, upon the recommendation of the President, approve modifications to Section 2.19 of the Western Washington University Retirement Plan, to read as follows:
2.19. **Retirement Age:** normal retirement age means the last day of the calendar month in which age 65 is attained; early retirement age means the last day of the calendar month in which either (a) age 62 is attained or (b) age 55 is attained with ten or more years of service completed without a Break in Service.

The change will be effective April 5, 2019.

However, a position held by a person on a fee, retainer, or special contract basis, or as an incident to the private practice of a profession or to the employee’s education, is not an Eligible Position. An Eligible Employee, once having begun participation in this Plan, shall be deemed to be employed in an Eligible Position even if his or her position no longer requires at least 70 hours per month of the normal full-time workload per month for five or more months of the Plan Year, so long as the position otherwise qualifies as an Eligible Position.

normal retirement age means the last day of the calendar month in which age 65 is attained; early retirement age means the last day of the calendar month in which age 62 is attained.

2.20. **WWU** means Western Washington University.

3. **Eligibility and Participation**

3.1. **Participation**.

(a) An Eligible Employee may begin participation in this Plan on his or her date of employment in an Eligible Position or the first day of any pay period thereafter, but no later than the first day of the first pay period following the second anniversary of his or her date of employment in an Eligible Position. Once having begun participation in this Plan, a Participant cannot cease participation while employed in an Eligible Position.

(b) A participant in a Washington State Retirement System who is moved to or whose position is converted to an Eligible Position, may make an irrevocable election to participate in this Plan or remain in the Washington State Retirement System by making the election no later than thirty days following the date of the move or conversion or such as the WWU Human Resources Department gives notice to the participant. If no timely election is made, the participant will remain in the Washington State Retirement System. Such election shall be made available only once in an individual’s unbroken service to WWU regardless of future changes of position, and enrollment in this Plan shall be irrevocable. For this purpose, “unbroken service” means service without a Break in Service.

(c) A Participant who has participated in this Plan for at least two years and who is moved to or whose position is converted to a position that qualifies for participation in a Washington State Retirement System, may make an irrevocable election to participate in the Washington State Retirement System or remain in this Plan by making the election no later than thirty days following the date of the move or conversion or such later date as the WWU Human Resources Department gives notice to the participant, provided that the initial enrollment in this Plan was not irrevocable as provided above. If no timely election is made, the Participant will remain in this Plan.
(d) A person who is hired by WWU in a position that is not an Eligible Position but is eligible for participation in the Washington State Public Employees Retirement System, and who, immediately prior to his or her hire date, has for at least two consecutive years made or benefited from contributions under a retirement plan underwritten by the Fund Sponsor with a public university or college in the State of Washington, may irrevocably elect to participate in this Plan if the election is made within thirty days after his or her hire. If no election is made, the person will become a participant in the Washington State Public Employees Retirement System from the first day of employment.

(e) Each Participant is entitled to the benefits of and is bound by this Plan, including all amendments that may be adopted.

3.2. **Enrollment in Plan.** An Eligible Employee must complete and return the WWURP enrollment election form and the appropriate enrollment form(s) for the Fund Sponsor and for the Funding Vehicle(s) selected to the WWU Human Resources Department.

3.3. **Cessation of Participation.** An employee’s participation in the Plan will cease if:

(a) he or she retires or otherwise separates from employment with WWU and all Related Employers; or

(b) the Plan is terminated in accordance with Section 10.1; or

(c) he or she is transferred or reclassified to a position that is not an Eligible Position, and he or she does not remain a Participant in this Plan in accordance with Section 3.1; or

(d) having remained a Participant under Section 3.1(c), or having become a Participant under Section 3.1(d), he or she is transferred or reclassified to a position that is not an Eligible Position and does not qualify for participation in another Washington State Retirement System.

3.4. **Paid Leave of Absence** During a paid leave of absence, participation in the Plan will continue.

4. **Contributions**

4.1. **Plan Contributions.** A Participant must contribute five percent of compensation from date of participation until the end of the pay period during which his or her 35th birthday occurs, seven and one-half percent of compensation until the end of the pay period during which his or her 50th birthday occurs and ten percent of compensation thereafter. WWU will make a matching contribution equal to each Participant contribution and will transmit all Plan Contributions to the Fund Sponsor(s).

4.2. **Income Tax Deferral.**
Except as provided in below, Plan Contributions shall be made on a tax-deferred basis as authorized under section 403(b) of the Code.

Participant contributions shall be made on an after-tax basis for certain participants who so elected on an irrevocable basis prior to April 1, 1998.

4.3. **Limit on Salary Taken into Account.** In addition to other applicable limitations stated in the Plan and notwithstanding any other provision of the Plan to the contrary, for employees who become Participants on or after July 1, 1996, the Compensation taken into account under Section 4.1 for any Plan Year may not exceed $245,000, as adjusted by the Commissioner of Internal Revenue from time to time for increases in the cost of living.

4.4. **Leave of Absence.**

(a) During an authorized leave of absence with pay, Plan Contributions will continue to be made. Plan Contributions will be calculated based on the actual Compensation WWU pays to the Participant during the leave of absence.

(b) To the extent required by the Uniformed Services Employment and Reemployment Rights Act of 1994, Participants who are absent from employment by reason of service in the uniformed service of the United States shall be entitled to make up contributions that they would have made had they remained in employment during the period of service and to benefit from WWU matching contributions.

(c) A Participant who returns to employment with WWU immediately following an authorized leave of absence, other than an absence described in (b) above, and remains employed by WWU for at least two years after such return, may contribute within five years after such return an amount equal to the total amount that would have been contributed had the Participant not been on leave (including any amount WWU would have contributed) less any contributions under (a) or (b) above with respect to the same leave. The contributions shall be based on the average of the Participant’s compensation at the time the leave of absence was authorized and the time the Participant resumes employment. WWU will not match such contributions.

4.5. **Rollovers or Transfers to the Plan.** Rollovers or transfers from other plans, accounts or annuities to the Plan will not be accepted.

4.6. **Allocation of Plan Contributions.** A Participant may allocate Plan Contributions among Funding Vehicles in any whole-number percentages that total 100 percent.

4.7. **Vesting of Contributions.** Each contract and certificate issued in accordance with the provisions of the Plan is the property of the Participant. Amounts attributable to Plan Contributions shall be nonforfeitable. However, Plan Contributions based on a mistake of fact, and Plan Contributions made for an
employee who fails to complete and return the enrollment forms required by Section 3.2, shall be returned to WWU if WWU so requests as provided in Section 9.6.

4.8. **Annual Statement.** At least once a year the Fund Sponsor will send each Participant a report summarizing the status of his or her Accumulation Account(s). A Participant may obtain similar reports or illustrations upon termination of employment or at any other time by writing directly to the Fund Sponsor.

4.9. **No Reversion.** Under no circumstances will any Plan Contributions revert to, be paid to, or inure to the benefit of, directly or indirectly, WWU, except as provided in Section 4.7, 4.10, or 9.6.

4.10. **Maximum Contribution.** Plan Contributions for a Participant for any calendar year, together with contributions for the Participant under any other plan subject to section 402(g) or 403(b) of the Code, shall not exceed the limitations in Code sections 402(g) (without regard to section 402(g)(7)) and 415 of the Code, to the extent applicable, except as permitted by Code section 414(v). The limitations of Code sections 402(g), 414(v) and 415 are herein incorporated by reference. If the limitations are exceeded because the Participant is also participating in another plan required to be aggregated with this Plan for the purposes of Code sections 402(g), 414(v) or 415, and such other plan is maintained by WWU or a Related Employer, or WWU receives from the Participant sufficient information concerning his or her participation in such other plan, then the extent to which annual contributions under this Plan will be reduced, as compared with the extent to which annual benefits or contributions under any other plans will be reduced, will be determined by WWU. If the reduction is under this Plan, WWU will advise the affected Participant of any limitations on his or her Plan Contributions required by this Section. WWU may, in its sole discretion, cause any contribution in excess of the foregoing limitations, adjusted for income, gains, losses or expenses attributable to such excess contribution, to be returned to WWU or distributed to the Participant to the extent permitted by applicable law.

5. **Fund Sponsors and Funding Vehicles**

5.1. **Fund Sponsors and Funding Vehicles.** Plan contributions are invested in one or more Funding Vehicles made available by WWU to Participants under this Plan. WWU’s current choice of Fund Sponsors and Funding Vehicles is not intended to limit future additions or deletions by WWU of Fund Sponsors and Funding Vehicles. The Plan Administrator shall maintain a list of all Fund Sponsors under the Plan. Such a list is hereby incorporated as part of the Plan. Each Fund Sponsor and WWU shall exchange such information as may be necessary to satisfy section 403(b) of the Code or other requirements of applicable law. In the case of a Fund Sponsor which is not eligible to receive contributions under the Plan (including a Fund Sponsor which has ceased to be a Fund Sponsor eligible to receive contributions under the Plan), the employer shall keep the Fund Sponsor informed of the name and contact information of the Plan Administrator in order
to coordinate information necessary to satisfy section 403(b) of the Code or other requirements of applicable law.

5.2. **Fund Transfers.** Subject to a Funding Vehicle’s rules for transfers and in accordance with the provisions of the Code governing the deferral of income tax with respect to Accumulation Accounts, a Participant may specify that a part or all of his or her Accumulation Account in one Funding Vehicle be transferred to another Funding Vehicle. However, an investment transfer that includes an investment with a Fund Sponsor that is not eligible to receive contributions under Section 4 is not permitted.

5.3. **Fund Review.** Funds will be chosen and reviewed by the Plan Administrator.

5.4. **Third Party Trading.** The Participant may assign responsibility for investment elections and other transactions under the Plan to another party, in such manner as maybe be determined from time to time by the WWU Human Resources Department.

6. **Retirement**

6.1. **Retirement Because of Age.** On the first of any month after attaining age 62, a Participant who is actively employed by WWU may elect to retire by submitting a written notification to his or her supervisor with a copy to the WWU Human Resources Department.

6.2. **Retirement Because of Condition of Health.** A retirement because of condition of health may be approved by the President of WWU upon request by a Participant or by the administrative officer concerned. The basis for approval is whether continued service by the Participant is likely to seriously impair or endanger the Participant’s health, or if the Participant is permanently unable to carry on his or her usual duties because of health. This determination shall be made by the employee’s physician, but will be subject to verification by a physician selected and paid for by WWU.

6.3. **Retiree Reemployment.** A retiree of the WWURP may be re-employed up to 40% of full time following the date of retirement under Section 6.1. Such reemployment shall be subject to all applicable WWU rules. A reemployed retiree is not a Participant under the Plan.

7. **Benefits Distribution**

7.1. **Retirement Benefits.** Upon retirement or termination from employment, a Participant may elect a retirement income option or combination of income options provided by each Fund Sponsor. Subject to the rules of Fund Sponsors, a Participant may elect to withdraw up to 100 percent of Plan contributions upon retirement or separation from employment. Any election hereunder requires the written consent of the Participant’s spouse, if any, in accordance with Section 7.3.
7.2. **Death Benefits.** On the death of a Participant, the entire value of each Accumulation Account is payable to the Beneficiary or Beneficiaries named by the Participant under one of the options offered by the Fund Sponsor. However, to the extent that the account has been applied to purchase an annuity, payments shall be made only if and to the extent provided by the form of annuity.

7.3. **Application for Benefits, Spousal Consent.** To begin receiving benefits, the Participant or Beneficiary must write directly to the Fund Sponsor. The Fund Sponsor will provide the necessary forms to the Participant or the Beneficiary. The Fund Sponsor will pay benefits upon receipt of a satisfactorily completed application for benefits and supporting documents. In any case in which Section 2.3 or 7.1 requires the consent of the Participant’s spouse, the consent must be in writing, must acknowledge the effect of the election or action to which the consent applies, and must be witnessed by a notary public. Unless the consent expressly provides that the Participant may make further elections without further consent of the spouse, the consent will be effective only with respect to the specific election of form of benefit, or Beneficiary, or both, to which the consent relates. Spousal consent will be effective only with respect to that spouse. Spousal consent will not be required if it is established to the satisfaction of the WWU Human Resources Department that the spouse cannot be located.

7.4. **Minimum Distribution Requirements.**

(a) All distributions under this Plan will be made in accordance with Code sections 403(b)(10) and 401(a)(9), as each is amended and in effect from time to time, and regulations thereunder. The entire Accumulation Account of each Participant will be distributed over a period not to exceed the life (or life expectancy) of the Participant or over the lives (or life expectancies) of the Participant and a designated Beneficiary. Minimum distributions must begin no later than April 1 of the calendar year following the calendar year in which the Participant attains age 70 1/2, or, if later, April 1 following the calendar year in which the Participant retires from WWU. Notwithstanding the above, the Accumulation Account of each Participant as of December 31, 1986 will be distributed in accordance with IRS Regulation 1.403(b)-6(e)(6). The Participant (or Beneficiary, after the Participant’s death) may elect whether to use the permissive recalculation rule for life expectancies under Code section 401(a)(9)(D). Upon the Participant’s death after the time benefits are required to begin hereunder, any remaining benefits will be distributed at least as rapidly as under the method of distribution in effect at the time of the Participant’s death.

(b) If the Participant dies before benefit payments are required to begin under the preceding paragraph, any benefits payable to (or for the benefit of) a designated Beneficiary will be paid by the end of the fifth full calendar year after the Participant’s death, or will be paid beginning no later than the end of the first full calendar year after the Participant’s death over the life of the designated Beneficiary or over a period not exceeding the life
expectancy of the designated Beneficiary. If the designated Beneficiary is the surviving spouse, payment may be delayed until the date the Participant would have attained age 70 1/2.

(c) In applying the foregoing rules, each Annuity Contract or Custodial Account shall be treated as an individual retirement account (IRA) and distribution shall be made in accordance with the provisions of section 1.408-8 of the IRS Regulations, except as provided in section 1.403(b)-6(e) of the IRS Regulations.

7.5. **Withdrawals, Loans, Benefit Distributions** Withdrawals and/or benefit distributions are not available prior to termination of employment at WWU and all Related Employers. Loans are not available.

7.6. **Rollover Distributions.**

(a) A Participant or the Beneficiary of a deceased Participant (or a Participant’s spouse or former spouse who is an alternate payee under a domestic relations order, as defined in section 414(p) of the Code) who is entitled to an eligible rollover distribution (as defined in section 402(c)(4) of the Code) from the Plan may elect to have any portion of that distribution paid directly to an eligible retirement plan (as defined in section 402(c)(8)(B) of the Code) specified by the Participant in a direct rollover. In the case of a distribution to a Beneficiary who at the time of the Participant’s death was neither the spouse of the Participant nor the spouse or former spouse of the participant who is an alternate payee under a domestic relations order, a direct rollover is payable only to an individual retirement account or individual retirement annuity (IRA) that has been established on behalf of the Beneficiary as an inherited IRA (within the meaning of section 408(d)(3)(C) of the Code).

(b) Each Fund Sponsor shall be separately responsible for providing, within a reasonable time period before making an initial eligible rollover distribution, an explanation to the Participant of his or her right to elect a direct rollover and the income tax withholding consequences of not electing a direct rollover.

8. **Administration**

8.1. **Plan Administrator.** WWU is the administrator of this Plan and has designated the Human Resources Department to be responsible for the day to day administration of the Plan.

8.2. **Authority of WWU.** WWU shall have final authority to determine all questions concerning eligibility and contributions under the Plan, to interpret all terms of the Plan, including any uncertain terms, and to decide any disputes arising under and all questions concerning administration of the Plan. Any determination made by WWU shall be given deference, if it is subject to judicial review, and shall be overturned only if it is arbitrary and capricious.
9. **Miscellaneous**

9.1. **Non-Alienation of Benefits.** Except as provided in this Section, no benefit under the Plan may at any time be subject in any manner to alienation, encumbrance, the claims of creditors, or legal process. No participant will have power in any manner to transfer, assign, alienate, or in any way encumber his or her benefits under the Plan, or any part thereof, and any attempt to do so will be void and of no effect. This Plan will comply with any judgment, decree or order that establishes the rights of another person to all or a portion of a Participant’s benefit under this Plan to the extent that it is treated as a qualified domestic relations order under Code section 414(p). Such payment shall be made without regard to whether the Participant is eligible for a distribution of benefits under the Plan. WWU shall establish reasonable procedures for determining the status of any such decree or order and for effectuating distribution pursuant to the domestic relations order.

9.2. **Plan Does Not Affect Employment.** Nothing in this Plan is a commitment or agreement by any person to continue his or her employment with WWU and nothing in this Plan is a commitment on the part of WWU to continue the employment or the rate of compensation of any person for any period. All employees of WWU will remain subject to non-renewal, discharge or discipline to the same extent as if the Plan had never been put into effect.

9.3. **Claims of Other Persons.** The Plan does not give any Participant or any other person, firm, or corporation any legal or equitable right against WWU, or its officers, employees, or Trustees, except for the rights that are specifically provided for in this Plan or created in accordance with the terms and provisions of this Plan.

9.4. **Contracts and Certificates.** In the event there is any inconsistency or ambiguity between the terms of the Plan and the terms of the contracts between the Fund Sponsor and WWU and/or the Participants and any contracts and/or certificates issued to a Participant under the Plan, the terms of the Plan control.

9.5. **Requests for Information.** Any request for information concerning eligibility, participation, contributions, or other aspects of the operation of the Plan should be in writing and directed to the WWU Human Resources Department. Requests for information concerning the Fund Sponsor, the Funding Vehicle(s), their terms, conditions and interpretations thereof, claims thereunder, any requests for review of such claims, and service of legal process may be directed in writing to the Fund Sponsor.

9.6. **Mistaken Contributions.** If any contribution (or any portion of a contribution) is made to the Plan by a good faith mistake of fact, then within one year after the payment of the contribution, and upon receipt in good order of a proper request approved by the WWU Human Resources Department, the amount of the mistaken contribution (adjusted for any income or loss in value, if any, allocable
thereto) shall be returned directly to the Participant or, to the extent required or permitted by the WWU Human Resources Department, to WWU.

9.7. **Governing Law.** Except as provided under federal law, the provisions of the Plan are governed by and construed in accordance with the laws of the State of Washington.

10. **Amendment and Termination**

10.1. **Amendment and Termination.** The Board reserves the right at any time to amend or terminate the Plan, in whole or in part, or to discontinue any further contributions or payments under the Plan. If the Plan is terminated or if Plan Contributions are completely discontinued, WWU will notify all Participants. As of the date of complete or partial termination, all Accumulation Accounts will remain nonforfeitable.

10.2. **Distribution Upon Termination of the Plan.** WWU may provide that, in connection with a termination of the Plan and subject to any restrictions contained in the Annuity Contracts and Custodial Account agreements, all Accumulation Accounts will be distributed, provided that WWU and any Related Employer on the date of termination do not make contributions to an alternative section 403(b) contract that is not part of the Plan during the period beginning on the date of plan termination and ending 12 months after the distribution of all assets from the Plan, except as permitted by IRS Regulations.

10.3. **Limitation.** Notwithstanding the provisions of Section 10.1, the Board shall not make any amendment to the Plan that operates to recapture for WWU any contributions previously made under this Plan except to the extent permitted by Section 4.7 or 4.10.
