Divisional Overview

Enrollment and Student Services

Vice President Melynda Huskey
Enrollment and Student Services

The division of Enrollment and Student Services is responsible for nearly all of our students’ out-of-the-classroom experiences – from application to commencement, and at every point in between, we support the healthy development of all of our students, in every aspect of their Western experience.
WWU Student Body

16,142 Students
96% Undergraduate
26.9% Students of Color
57.5% Female

Residency

☑ Washington Residents
☐ Out of State Students
☐ International Students
The average age of our first-year students is 18; average age of students overall is 21.

88% of last year’s first-year students lived in one of our nine residence halls.

64% of first-year students already had some college credit when they came to campus.

29% of first-year students are first generation students.

68% of our students graduate within six years of enrolling.
Mission Statement:
The Division of Enrollment and Student Services engages students to promote healthy development of the whole self and our communities.

Division Vision:
Every student graduates, prepared for a life of growth and purpose.
ESS Divisional Goals

1. Increase access and persistence to graduation for all students.

2. Actively pursue justice and equity in our policies, practices, and impacts.

3. Deliver programs and services that engage all students in high-quality learning opportunities.

4. Cultivate campus and community partnerships that foster growth and promote wellness of our communities through an enriching student experience.
ESS Divisional Values

In our work with students, colleagues, and communities, we are:

• Student development centered
• Inclusive
• Compassionate
• Respectful
• Optimistic
