

ACSRI Meeting 2 Summary

January 13, 2025

The ACSRI met and heard presentations that provided committee members with a baseline of knowledge as it collectively approaches the task of drafting an SRI policy. Presentations included information about the Spring 2024 MOU with the Divest Apartheid Coalition and the resulting formation of the ACSRI, and about the relationship between the university and the foundation.

Committee members had a substantive discussion and concluded that the next step was to define the essential elements of SRI and begin drafting the SRI policy. A series of meetings will be scheduled for the remainder of winter quarter.
